Re: Preliminary Draft RA Report -
C&D Recycling Superfund Site

Dear Mrs. Rohrbach:

Enclosed please find the Preliminary Draft Risk Assessment (RA) Report for the C&D Recycling Superfund Site located near Freeland, Luzerne County, Pennsylvania. This draft report was prepared by Fred C. Hart Associates on behalf of AT&T which is conducting the RI/FS at the site. This document has not been thoroughly reviewed or approved by EPA and as such may contain data and/or conclusions which may or may not reflect the opinions of the EPA.

At the request of the Concerned Citizens of Foster Township (CCFT) and at the direction of EPA's regional management, this document is being released to CCFT and the public for review. Please direct all comments in writing to:

Mr. Michael Towle, 3HW21
US Environmental Protection Agency
841 Chestnut Street
Philadelphia, PA 19107

EPA will consider all public comments submitted on the Draft RA Report and the Draft RI Report previously distributed by EPA. If possible, please submit your comments on the RA Report within 50 days from the date of this letter. All comments will be included within the administrative record file.

Sincerely,

A handwritten signature in cursive script that reads "Michael Towle".
